STIPULATIONS/TERMS & CONDITIONS

BOOTH SPACE ASSIGNMENT AND PAYMENT

Booth space assignment is based on a regional point system. Only SEMI Members can build and use points.

Should the requested space be previously assigned or the floor layout change, SEMI will endeavor to provide suitable alternate space based on priority points. The exhibiting company's ultimate placement by show management must be considered final. SEMI reserves the rights to relocate an exhibiting company at any time, for any reason, for the overall good of the show. SEMI is not obligated to reimburse the exhibiting company for any costs stemming from relocation.

GENERAL RULES, TERMS AND CONDITIONS

1. Exhibiting company agrees that the rules and regulations of SEMI are made a part of this contract and agrees to be bound by them. Exhibiting company further agrees that SEMI has the full power to interpret and enforce all rules and regulations in the best interest of the SEMICON show.
2. The signer of the application for exhibit space or his designee shall be the official representative of the exhibiting company and shall have the authority to certify representatives and act on behalf of the exhibiting company in all negotiations.
3. Applications will not be processed from companies with delinquent balances due SEMI. This includes but is not limited to unpaid liquidated damages from prior shows.
4. SEMI Membership must be active at all times to receive member pricing; otherwise, SEMI will invoice for the non-member rate.

QUALIFICATIONS OF EXHIBITING COMPANY

Exhibiting companies must be manufacturers or independent representatives of manufacturers that produce equipment or materials for use by the semiconductor, flat panel display and electronic design automation industries, MEMS, MST, Photovoltaic or that are used in relevant ancillary work (such as trade magazines or books, software houses, etc.). SEMI reserves the right to determine the eligibility of any product for display.

USE OF SPACE

The exhibiting company may not assign, sublet or re-sell; in whole or in part, their contracted space. The contracted exhibiting company may share this space with affiliated co-exhibitors, providing co-exhibitors comply with all exhibiting company conditions and rules and regulations; however, the contracting exhibiting company shall continue to be primarily liable for all financial and performance covenants.

The PRIMARY exhibiting company MUST have the prominent identification in its entire contracted booth space. Contracted space MUST appear as one unified booth. All booths MUST be staffed during exhibition hours.

LIABILITY

SEMI will not be liable for damages or injury to persons or property from any cause whatsoever by reason of occupancy of exhibit space by exhibiting company, its employees or representatives. Further, exhibiting company indemnifies, and holds harmless, SEMI and each

of its officers, directors, employees, and agents from all liabilities that might result from any cause whatsoever with respect to the exhibit including, without limitation, theft or other loss from exhibit booth. The exhibiting company agrees to pay promptly for any and all damage to the exhibition building or its equipment, incurred through carelessness or otherwise, caused by the exhibiting company, its employees, agents, or representatives.

SEMI will provide general security at all times, but SEMI shall in no event be liable for any loss or damages whatsoever due to any lack or failure of such security. Exhibiting company assumes full responsibility for any loss of equipment and/or display material, resulting from theft or any other cause whatsoever.

CANCELLATION / CHANGE OF EXHIBIT

If SEMI should be unable to hold the exhibition for any cause beyond its reasonable control, or if it cannot permit the exhibiting company to occupy its space due to causes beyond SEMI'S reasonable control, SEMI has the right to cancel the exhibit with no further liability than a refund of the stand space rental less a proportionate share of the exhibition expenses incurred by SEMI. SEMI shall in no event be liable for incidental or consequential damages to exhibiting company arising from or relating to such cancellation.

Should exhibiting company's display and/or material fail to arrive, exhibiting company is nevertheless responsible for the rental of its exhibit space.

COMPLIANCE WITH RULES

Exhibiting company assumes all responsibility for compliance with pertinent ordinances, regulations, and codes of duly authorized local, state, federal and international government bodies concerning fire, safety, and health, together with the rules and regulations contained in the Exhibitor Services Manual.

All aisles and service areas must be kept clear with boundaries set by the Fire Department and SEMI.

CANCELLATION OR REDUCTION OF EXHIBIT SPACE BY EXHIBITING COMPANY

1. In the event of cancellation (partial or full) a written notice must be received by SEMI.
2. If cancelled (partial or full) on or before 7 July 2010, a liquidation damage fee of 20% of the canceled space will be assessed by SEMI.
3. If cancelled (partial or full) on 8 July 2010 or after, a liquidation damage fee of 100% of the canceled space will be assessed by SEMI.
4. SEMI will issue the final invoice reflecting all fees imposed on your account per SEMI terms and conditions.

Reduction of exhibit space may result in booth relocation.

SEMI reserves the right to reassign cancelled booth space, regardless of the liquidated damage assessment. Subsequent reassignment of cancelled space does not relieve the canceling exhibiting company of the obligation to pay the assessment.

SEMI must receive written notification of any cancellation. All booths must be set and show ready by 5:00pm on the day prior to the opening of the event. Failure to do so will be considered a cancellation, unless SEMI has been notified and has approved otherwise.

It is each exhibiting company's responsibility to read and comply with all rules and regulations as stated in the Exhibitor Service Manual. Each exhibiting company will be fully responsible for all costs involved should the exhibiting company violate rules and regulations that require remedial action by SEMI.

Please mark one of the three payment options referenced below and complete that related section. This form must be included with your Exhibit Application/Contract. **Prior to space assignment, a 20% non-refundable deposit is required with the Application/Contract.**

SEMICONDUCTOR EQUIPMENT AND MATERIALS INTERNATIONAL
New VAT Treatment for Business Activities in Germany

Semiconductor Equipment and Materials International (hereinafter: "SEMI®") is an international industry association, headquartered in the USA. SEMI organizes the SEMICON® Europa Trade Show which is held in Germany. Within the framework of the show, SEMI provides various services to German and non-German businesses, and to other industry affiliated participants. These services comprise rental of floor and meeting space at the trade show, conference seminars, education programs and the sale of publications/informational material.

Recently, there have been changes in the German VAT legislation that will effect the treatment of VAT on the sales of our services. These changes impact your company and SEMI's obligations to the German Tax authorities on sales of booth space rental at SEMICON Europa. These changes effect organizations that are "**non-German**" companies, receiving services in Germany, as a non-resident of Germany.

Prior German VAT Law Requirements as of December 31, 2006.

On January 1, 2002, the Federal Ministry of Finance in Germany implemented the "reverse charge procedure" (§14a Abs.4 UstG) for administering German VAT, which was applicable to both types of organizations; "non-German" and "German" companies. Under the "reverse charge procedure", SEMI was not obligated to withhold VAT from our exhibitors on sales of booth space at SEMICON® Europa. The responsibility of forwarding 19% German VAT to the tax authorities was transferred from SEMI to the exhibitors (reverse charge mechanism), the recipients of this service. The exhibitors were required to declare the German VAT due on SEMI's invoices, within their VAT returns. If the exhibitors were not already VAT registered in Germany, a VAT registration was required for compliance to the German VAT Law. **Recently, this Law was amended and is no longer applicable for "non-German" companies as of December 31, 2006.**

New German VAT Law Requirements Effective January 1, 2007

On November 24, 2006, the German Bundesrat (Federal Council) passed the 2007 Tax Act. With the 2007 Tax Act, an important change was made in German VAT Law regarding supply of services in connection with expositions held in Germany by foreign organizers, who have exhibitors that are non-residents of Germany ("non-German" companies). Based on this amendment, the so-called "reverse charge mechanism" for non-German companies are no-longer applicable for the following services, as of December 31, 2006.

- Dealing with tickets for fairs, exhibitions or congresses in German (**§ 13b Sec. 3 No. 4 German VAT Act new**)
- Supply of services in connection with the organization of trade fairs and exhibitions in Germany performed by a non-resident fair organizer to non-resident exhibitors (**§ 13b Sec. 3 No. 5 German VAT Act new**)

Under this new VAT Law, SEMI will become liable for collecting VAT on the provided services starting January 1, 2007. The VAT liability will no longer be transferred to the foreign exhibitors (non-German companies). All foreign exhibitors (non-German companies) are required to pay VAT on all services received from SEMI, regardless of their VAT registration status in Germany.

The "reverse charge mechanism" is still applicable for exhibitors that are residents of Germany. SEMI will continue with the "reverse charge procedure" for resident German companies and will not include VAT on our invoices for booth space rental, since VAT liability is still the responsibility of the exhibitors and not SEMI.

Depending on your current VAT registration status and other services received in Germany, you may qualify for refund of your VAT paid to the German Tax authority. Since SEMI is not qualified to provide tax advice to our exhibitors, we only provide information regarding the contents of this document and our obligation to the German Tax authority, under the new German VAT law.
