POSSIBILITIES

This is SEMICON Europa.

	Exhibition Halls 1, 3, 4	TechARENA Free Entrance for Visitors	Conference	Test & Packaging	MEMS / MST	Executives/Markets	Standards Free Participation
Monday October 5			Semiconductors 13th Fab Managers Forum Tour and Networking Evening				 SEMI® International Standards
Tuesday October 6	Exhibition 10:00 – 17:00 Show Floor Highlights: - Science Park - Secondary Equipment, Services and Technology Pavilion	10:00 – 11:30 Research and Development Presentations 11:30 – 13:00 Test & Packaging Presentations 14:00 – 14:15 Introduction about SEMI 14:15 – 16:30 Secondary Equipment and Services	Equipment Lifecycle Management Session Fab Agility and Productivity Session		International MEMS/MST Industry Forum International MEMS/MST Industry Forum	Market Briefing 3 rd Executive Summit and Reception SAXONY! – Get Together Courtyard of Dresden's Royal Palace (by invitation only)	- Compound Materials TF - Int'l 450mm Wafer TF - Int'l Test Methods TF - Compound Materials TC - Int'l Advanced Surface Inspection TF - Int'l Advanced Wafer Geometry TF - SEMI Standards Leadership Award - (3rd Executive Summit)
Wednesday October 7	Exhibition 10:00 – 17:00 Show Floor Highlights: - Science Park - Secondary Equipment, Services and Technology Pavilion	09:40 – 10:00 SEMI Video / Presentation 10:00 – 13:00 Pushing Lithography to the Limits 13:00 – 14:00 IC Industry Award 14:15 – 16:30 MEMS / MST Exhibitor Presentations 16:30 - 17:00 Standards Closing	Pushing Lithography to the Limits < TechARENA Energy Efficiency Session 450 mm in Europe - Quo Vadis? (Organized by Fraunhofer) 450 mm in Europe - Quo Vadis? (Organized by Fraunhofer)	Advanced Packaging Manufacturing Conference Advanced Packaging R&D Work-Shop (IMAPS)	 MEMS/MST Exhibitor Presentations < TechARENA	European Cluster Meeting (Organized by Silicon Saxony)	- Precursor and Solvents TF - Silicon Wafer TC - Gases and Liquid Chemicals TC - MEMS TC - Standards Closing Session < TechARENA - ERSC Meeting
Thursday October 8	Exhibition 10:00 – 16:00 Show Floor Highlights: - Science Park - Secondary Equipment, Services and Technology Pavilion	09:40 – 10:00 SEMI Video / Presentation 10:00 – 13:00 New Materials providing for new Technologies	New Materials providing for new Technologies < TechARENA	11 th European Manufacturing Test Conference (EMTC) CAST Workshop			- E84 Revision TF - Equipment Automation TC
