**July 2020 Update**

Dear Exhibitors,

we are delighted that your company will be joining us this year for SEMICON Europa 2020!

Here are some important updates to prepare your participation.

**COVID-19 Important Update**

The health and safety of our members and guests remain our priority. We are working with our Messe Munich partners and responsible authorities, to take all the needed recommendations into account about the staging of events. At the current time, we are proceeding as planned with the exhibition taking place in Munich, Germany. The COVID-19 safety protocol is regularly updated.

[Check the full announcement.](#)

**Important Deadlines**

- **Exhibitor Online Directory Review and Update**
  Don’t forget to update your booth profile as soon as possible to begin leveraging your online listing.
  Please [log into your exhibitor account here.](#)

- **Co-Exhibitor Listing [by August 31]**
  Add and edit co-exhibitors through the exhibitor account login under “Manage Co-Exhibitors”.
Complete the Co-Exhibitor Application Form and send it to semiconeuropa@semi.org to finalize the application.

- **Exhibitor Service Center – Exhibitor Shop [by September 24]**

Use your personal login information to access the Exhibitor Shop to order any booth-related products and services online (e.g. electricity, cleaning, hostesses). If you did not receive your login data, please send a message to shop@electronica.de.

All main exhibitors can create sub-accounts for their co-exhibitors. Co-Exhibitors do not get individual log-in information by Messe München.

- For questions regarding the Exhibitor Shop or your bookings, please contact the electronica exhibitor hotline: +49 89 949-11458.
- If you have not received your booth confirmation (“placement request email”) from Messe München, please contact management@electronica.de.

- **Booth Logistics & Technical Services [by September 24]**

Find all the information regarding details on technical regulations and set-up and dismantling times.

A booth design needs to be approved by the TAS except all these points are fulfilled:

- height of stand and/or advertising structures no more than 3m
- size of stand less than 100m²
- no canopies or other stand coverings

Contact: Exhibitor Technical Services (TAS). E: tas1@messe-muenchen.de / T: +49 89 949-21164.

---

**Additional Services**

- **Advertising Options**

Check out advertising space options at Messe München to increase your brand visibility on-site. Use our self-generator banner service to create your individual web banner to promote your booth at SEMICON Europa.

- **Conference and Meeting Rooms**

Rent conference and meeting rooms by sending this request form to the Conference Room Service (CRS) at crs@messe-muenchen.de. Specify that you are a SEMICON Europa exhibitor.

---

**Programs**

- **Conference Registration is Open!**

Don’t miss our conferences at the International Congress Center (ICM) from November 11th to 13th:
- Fab Management Forum
- Advanced Packaging Conference
- MEMS & Imaging Sensors Summit
- Check out our free programs on the show floor

- Call for abstracts
  Submit your Abstract for the Healthtech Innovation Showcase
